My Mentor Tutorial Center

Doña Solidad Estate, GSC, 9500

Dear Sir,

I am writing to express my interest for the position of math tutor in your tutorial center.

As my resume indicates, I graduated from Junior High School with Annual Honors and am also an Academic Awardee. I've also competed in contests such as MTAP and placed second. I've also had the opportunity to teach others. Despite the fact that I am still a Senior High School student, I am confident in my teaching abilities, particularly in Mathematics. In addition, I have an outstanding academic record. As a result, I believe I am qualified to tutor at your tutorial center.

If you have any queries about my qualifications, I would be happy to be interviewed at your convenience. You can contact me at 09669759822 or sheenavarquez270@gmail.com. I'm hoping to hear from you shortly. Thank you for your consideration and time.

Sincerely,

Sheena Marie L. Varquez

Applicant

Annual Honor Awards

Academic Award

MMC
METROBANK-MTAP-DEPED MATH CHALLENGE

award this

CERTIFICATE OF RECOGNITION

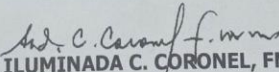

to

SHEENA MARIE L. VARQUEZ

Name of the Student
